

31-37 Dreamworld Parkway, Coomera

Your new and improved local.

Now Under
Construction.

Welcome to Coomera Collective, Your New Local.

Coomera Collective presents an unparalleled opportunity to join a brand new retail development at the gateway to the Gold Coast's most anticipated town centre, burgeoning medical developments and ever-growing residential communities.

Coomera Collective has been strategically designed to deliver a premier retail experience servicing an extensive trade area underpinned by strong residential growth, health, education and public transport infrastructure.

This vibrant dining and services precinct is thoughtfully crafted with the community in mind. Featuring excellent dine-in options, a dedicated seating area with access to Viney Park and recreational facilities, beautifully shaded and landscaped seating nooks, and modern suburban architecture, Coomera Collective is set to become the new and improved community hub.

With construction set to commence in 2024, now is the time for all prospective retailers to make the move and secure a tenancy at Coomera Collective.

Coomera's one-stop shop

Located just 26km from Surfers Paradise and 54km from Brisbane CBD, Coomera Collective is set to become the premier retail hub for the northern Gold Coast suburbs and travellers between the Gold Coast and Brisbane.

Coomera Collective offers exceptional connectivity for local residents and boasts 89 parking bays plus two motorbike spaces for retail customers. Incoming retailers are set to benefit from significant infrastructure upgrades and a growing local population, enhancing the immediate trade area's appeal. With spaces starting from 52sqm, Coomera Collective provides flexible options for convenience retail, medical services, and food and beverage outlets.

Secure your spot in a thriving market.

Retail spend of **\$2.8 billion** in the Main Trade Area and \$5 billion in greater Coomera area.

Positioned to service a growing Total Trade Area **population over 290,000** people in 2023.

Experiencing rapid economic growth, **Coomera's population has doubled** in the last census period (2016-2021).

Situated in SEQ's theme park capital, including Dreamworld, Movieworld, Wet N Wild, boasting 2 million visitors annually.

Household composition skews towards families with 37% of households being couples with young children.

The **average household income** in the Main Trade Area in 2021 (Census) was \$124,000 per annum.
